It's a Donor's Choose Extravaganza!

Look at what donations through the Donor's Choose website has done for LCS! Thank you to all of our LCS friends and family who have donated!

"Making More Music - Uke Can Do It!!!"

September 2018 - Fully funded in 3 days!
Mrs. Hawthorne request \$1500 to purchase a class set of ukuleles to provide students with a new experience in music as well as expanding percussion equipment at our school.

"Apple Pencils for Creativity"

November 2018 - Fully funded in 2 weeks!
Ms. Duffy requested five Apple pencils to be used with grades 7 & 8 for the purpose of integrating art, ELA, & Social Studies. Because these have a finer tip than a stylus, they allow for more detailed drawings to combine text with student-drawn graphics for more advanced papers, projects, and designs!

"Student Publishers Need Binding Machine"

May 2019 - Fully funded in 5 days!
Ms. Duffy requested a binding machine for middle-level students to use when publishing their writing and for teachers to use when compiling class books.

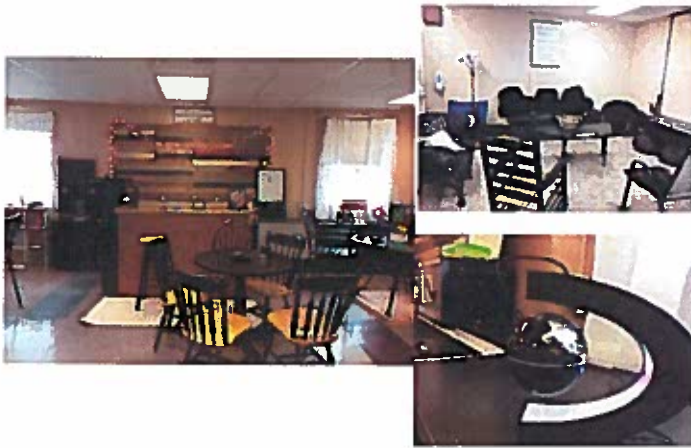

Books, Books, Books!

August 2019 - Fully funded in 3 weeks!
Mrs. Keene requested funding for a set of classroom books to support integration of ELA and Social Studies to help our students learn about different countries and cultures while practicing how to ask questions about our reading to facilitate learning.

"Finding our Inner Creativity"

September 2019 - We requested a classroom set of Start With a Word by Peter H. Reynolds & was fully funded within a week! The daily use of these guided journals has served as the focus of a major qualitative research project about student perceptions of creativity at the University of Maine & has positively impacted student perceptions of creativity; specifically student imagination and originality.

"Zones of Regul-Awesome!"

October 2019 - Fully funded in 2 days! Mr. James requested funding to purchase sensory tools to support the construction of our new Flex Lounge. This K-8 space is an Awesome place to help students understand how our environment can impact our "Zone", as well as how we can use tools to help regulate ourselves back into the green zone!

"Got Interactive Flooring?"

October 2019 - fully funded within a week! To support the construction of our new Flex Lounge space for students in grades K-8, we requested funding to add six large liquid floor tiles to our space. The tiles provide sensory feedback & encourage students to use gross motor motions to create artwork within the floor tiles.

Busy Bodies 101: Engaging 4th Graders

November 2019 - Fully funded in 2 weeks! This project was created to provide flexible seating and materials to support mobile desks for 4th grade. No photos yet, as the big reveal will be after Thanksgiving!

“Out of This World” Family Fun Night an Astronomical Success!

Wow, what a night! It might have been the fantastic cosmic activities or the stellar “Rocket Dogs” or the “Out of this World Star Lab” that made it such a fun night, but it was the staff and families that made it heavenly! Thanks LCS community!

This Week's Lion Pride is....

Jackson Wade Rudy, Christian Foster, Kailee Kelley, Hallie Hamblen, Amelia Ashmore, & Harmony King

Report Cards & Parent/Teacher Conferences

Report cards will go home on Monday, December 2nd. Parent/Teacher conferences will be held during the week of December 2nd - December 6th. You should have instructions from your student's classroom teacher regarding sign ups.

PATRON'S CORNER

The PATRONS 3rd Annual Craft Fair was a huge success, bringing in over \$1100 in profits to support our school. All money raised through table fees & concessions help to fund our many yearly activities.

Now on to our next event....
